The One Broadband Terms and Conditions (the “Broadband Terms”) apply to The One Broadband services and can be found at [www.theonebroadband.co.uk/legal](http://www.theonebroadband.co.uk/legal). All capitalised words which are used in this Price Guide but are not defined shall have the meaning given to them in the Broadband Terms.

Price disclaimer: Whilst we try to make sure that all our prices and charges are accurately reflected across all our documentation and other materials, including this Price Guide, occasionally inconsistencies may occur. Please note: In the event of conflicting pricing information, the latest Price Guide available at [www.theonebroadband.co.uk/legal](http://www.theonebroadband.co.uk/legal) shall apply.

Call Charges can be updated from time to time and without notice. The latest call charges will be found on our website at [www.theonebroadband.co.uk/legal](http://www.theonebroadband.co.uk/legal).

**Broadband without landline plans:** If you have chosen a Broadband Package without landline, you will not have a dial tone and will not be able to make or receive calls from your home phone, including emergency calls.

#### 1. The One Voice Pricing

The tables below set out the per minute and per call prices for The One Voice Service.

**VAT:** All charges quoted in this Price Guide are exclusive of VAT, if VAT applies.

**Call Connection Charges:** A specific call connection charge applies to all other non-inclusive calls, unless calls are charged at a fixed rate per call, or for calls to service numbers (see below). See this Price Guide below for further details of the charges which apply to each type of call.

Calls will be rounded up to the nearest full minute, excluding fixed fee calls, those that are free, or for calls to service numbers (see below)

A fair usage policy applies to inclusive calls after which you may be charged. See terms and conditions and the price guide below for details.

**Inclusive Calls:** Calls to UK landlines starting 01, 02, 03; and UK mobile numbers (excluding Isle of Man, Jersey & Guernsey), when using your landline at any time. For other exclusions see price guide below.

**Service Charge Numbers:** Charges to service numbers (beginning 084, 087, 09 and 118) are split into two parts.

1. **Access Charge.** This is how much The One Broadband will charge you per minute for making the call and is 15p/min.

- Service Charge.** This is the amount that is charged by the organisation you are calling. **The amount of the service charge is set by them** and should be stated anywhere their number is advertised. This is billed per second, per call, or as a combination of both.

### Service Charge Numbers

- 08 numbers are typically used for banks, utility companies, customer helplines, government departments and voting in TV shows
- 09 numbers are typically used for premium rate services
- 118 numbers are used for Directory Enquiries services

To find out the total cost of your call, you'll have to add the access and service charges together. These will be shown on your bill as a combined charge for each call; the access charge will also be printed separately on your bill for reference.

### Charging Time Periods

- Daytime Monday to Friday (7:00am to 7:00pm)
- Evenings Monday to Friday (7:00pm to 7:00am)
- Weekends Friday Midnight (12:00am) to Sunday Midnight (12:00am)

### Terms

Terms and conditions apply to The One Voice. These can be found along with our other terms and conditions at [www.theonebroadband.co.uk/legal](http://www.theonebroadband.co.uk/legal) and are updated from time to time.

**4. Monthly Credit Limit**

A monthly call expenditure cap will be applied at £20.00 per month for out of bundle calls as standard. Out of bundle charged calls will be restricted once a call credit limit is reached. We reserve the right to change the monthly call expenditure cap from time to time.

**5. Equipment**

You will be provided with a voice compatible router if you order The One Voice with your Broadband Package. Note that we do not provide the telephone. You must provide your own phone device with an RJ11 connector – this is a standard phone connection type.

**6. Early Termination Fee**

An Early Termination Fee may apply to you when you cancel The One Broadband Plan during your minimum contract term as per the Broadband Terms available at [www.theonebroadband.co.uk/legal](http://www.theonebroadband.co.uk/legal).

**7. End of Contract**

At the end of your contract term the price may change. You will be notified as you approach the end of your contract the deals that are available at that time, as per the Broadband Terms available at [www.theonebroadband.co.uk/legal](http://www.theonebroadband.co.uk/legal).

**8. Effective Date**

The One Voice Guide v2.0 issued on 23<sup>rd</sup> March 2026.
